ENTRANCE EXAMINATION REQUIREMENTS

for English Master Study Programme "Pharmacy"
at the Faculty of Pharmacy
of the University of Veterinary and Pharmaceutical Sciences Brno
for academic year 2017/2018

In accordance with the Act No. 111/1998 the Faculty of Pharmacy hereby establishes these requirements for entrance examinations for study in academic year 2017/2018.

Finished secondary school education recognised by Czech authorities is a prerequisite for being admitted to studies (Validation of secondary education is done by the Regional Government Authority – for details see <http://faf.vfu.cz/for-applicants/nostrifikace---validation-of-secondary-education---information.pdf>).

Entrance examinations consist of written test from biology (40 questions) and chemistry (40 questions) with a correct answer to each from each of the two subjects awarded by one point. The maximum possible score is therefore 80 points. From the students who gain at least 40 point total, students with the highest scores will be accepted.

Application forms sent by September 2017 will be accepted. The terms of the entrance examinations will be established by the Dean of the Faculty.

At least four weeks prior to the examinations applicants will be sent an invitation by e-mail.

For academic year 2017/2018 the maximum number of new students accepted to the first year of study is 56.

These requirements have been approved by the Academic Senate of the Faculty of Pharmacy of UVPS Brno on 26th October 2016.

MUDr. Tomáš Parák, Ph.D.
Dean of the Faculty
