

Faculty of Pharmacy

University of Veterinary and Pharmaceutical Sciences Brno

Department of Social Pharmacy

Logbook of Internship - 26 Weeks

Name and surname of the student:

Adress of the student:

**The 6-months Working Practice (The Internship – 26 Weeks) of the students of the
Master Degree of Pharmacy of the Faculty of Pharmacy at the University of Veterinary
and Pharmaceutical Sciences Brno.**

The duration of the internship (pharmacy practice) is six months of in-service training in a pharmacy open to public or in a hospital. In the beginning of the internship, students will get acquainted with pharmacy personnel, division of labour in pharmacy, work safety regulations, pharmacy operating rules, pharmacy sanitary regimen and concerning legal regulations. Also adequate knowledge of legal and other requirements associated with the pharmacy practice (the preparation and dispensing medicinal products) is necessary.

Before starting practice in a pharmacy, „**The Paper of Acceptation**“ is necessary to fill in (agreement, that the student of the Faculty of Pharmacy of the University of Veterinary and Pharmaceutical Sciences Brno will perform (part of) his/her 6-months Working Practice in the pharmacy in the agreed term).

Duration of pharmacy practice: 26 weeks

- ✓ It is possible to count in 2 accomplished weeks of pharmacy practice from the 1st year of study – a subject *Practical Training in the Pharmacy* (compulsory course)
- ✓ and 2 accomplished weeks of pharmacy practice from the 3rd year of study – a subject *Training in the Pharmacy* (selective course)

In the case of accomplishment of either both above-mentioned pharmacy practice courses (4 weeks) or only 2 weeks within a compulsory course in the 1st year of study, the duration of pharmacy practice in the 5th year of study is **22 weeks, respectively 24 weeks.**

- ✓ 1 week = 5 working days, 8 hours a day
- ✓ Public holidays are considered as working days
- ✓ A student is asked to bring working clothes and shoes with him/her

Place of performing pharmacy practice:

- ✓ Pharmacy - hospital pharmacy, public pharmacy
- ✓ Maximum 3 various pharmacies
- ✓ Minimum 1 week of practice in a Czech pharmacy

Possible start of pharmacy practice:

- ✓ after obtaining **200 credits** (the same number of credits as required for enrolment to the 5th year of study)
